Thank you for your ongoing support of our ministries. Life is very full and challenging, but that's how we like it. If this is 'retirement' it feels a lot like full-on ministry; packed with opportunities, clear strategies and new horizons. The first half of this year will see us operating in Liberia, Italy, Colombia and Spain, as well as our home-life here in Upstate New York where we so enjoy the strength of support and participation shown by Church of The King, Church of The Nations and The King's School.

RISE LIBERIA!

Bill & Kellie's visit to Liberia in February opened the all the right doors for us as we put our Rise Liberia strategies into place to see Liberian

Christian schools not only equipped, but increasingly freed from the old cycle of dependency on foreign aid. Plans are under way to launch a proto-type school. Please join us in prayer to see these vital steps accomplished. This is 'Missions' at a new level.

Kellie 'love-mobbed' by the children of the Star of Bethlehem school.

Here are some prayer points: Appointing our management teams, here and in Liberia. Founding a legal corporation in Liberia for RL. Securing the right location/facility for our model school. Raising support for building/repairing

facilities, equipping the school, inspiring sponsors. If God is leading you to be involved, please contact us.

ESPAÑA, OF COURSE!

B&J are in Spain for three weeks in May, visiting churches in Callosa de Segura, Sangonera la Seca, Córdoba and Madrid, preaching & teaching at youth nights, church services and seminars. 'Gracias' for your prayer support.

VIVA COLOMBIA!

If a mark of a ministry is enduring and prospering past times of shaking (1 Corinthians 3:10-15) then The Esperanza Foundation, founded 1983, our ministry to Colombian children headed up by Wendy Luff, is by God's grace a prime example. Jean will be visiting Wendy again in

May. Wendy has lovingly raised hundreds of children through the years and has about 80 in her care right now. What with paying for schooling, family support, clothing and life-building disciple-ing there are few we know who have done such an excellent job. Jean goes twice a year, carrying with her large boxes of supplies from soft toys to tooth brushes. Again - we appreciate your support.

'BAMBINO DI PACE' IN ITALIA

Bill's dance-drama, 'Peace Child' has now been translated into Spanish & Italian. Our April tour of Italy with The King's School Drama Club was the best ever! Packed crowds and performances in churches and a school. The response was remarkable. Based out of Caserta the tour took the team to the several communities in the Napoli region. A true missionary trip to strengthen the 1.1% of believers in Italy.
